Wednesday, June 7, 1978

Dr. Lodenquai opens new medical centre in Minden

MINDEN — On Monday morning of this week, Dr. Jeffrey Lodenquai unveiled his new medical centre to the people of Minden. The centre includes a spacious, well lit reception area that seats 20 people; a treatment room, where the nurse on duty can give shots to patients, do dressings or sutures; washrooms for both patients and staff and five fully equipped examination rooms, two for each doctor and one to be used as a spare for emergencies.

Dr. Lodenquai told The Express, that has engaged the services of two doctors for the centre. One will be a graduate doctor of the University of Toronto, Dr. Ivan Yee, who will be working at the centre from July 1st to September 1st.

Dr. Anthony Holliday-Rhodes will be the permanent physician. Dr. Holliday-Rhodes will arrive from Mississauga, where he has practiced for the past two years, on June 19th. He will remain at the medical centre until July 1st, at which time he will then commute to Lindsay from Minden where he will practice with Dr. D. C. Pitt as a Radiologist until Sept. 1st. He will then become the full time physician at Minden's medical centre with Dr. Lodenquai.

Dr. Holliday-Rhodes has degrees in internal medicine and radiology. He came to Ontario from England with his wife and three young children in 1975.

Dr. and Mrs. Lodenquai would like to take this opportunity of sincerely thanking Aubrey Horsely, Builder and Contractor of the new centre, for his fine job of construction in such a short period of time, 5 weeks. The centre is located beside the Red Cross hospital, approximately 200 yards from Hwy. 35 at the south entrance to Minden.

OPP have quiet weekend with only 3 area collisions

The Minden detachment of the OPP had a relatively quiet week as they report only three collision investigations as follows:

Early Friday evening, Judy Gostlin 16, of Minden was northbound on Peninsula Drive in Haliburton, when she rounded a corner and met a number of persons on the road. The 1977 car suffered an estimated \$950 damage when it entered the east ditch striking a large rock. Investigation by PC Al Rollins.

Robert Tall 19, of Wilberforce, suffered minimal injuries when his 1975 car went out of control on Haliburton County Rd. 2 and entered the east ditch on a curve, striking an embankment. Damage was set at \$3,000. Police have charged Tall with careless driving. Investigation by PC Roy Telford.

Early Sunday afternoon on Hwy. 503, Allan Bowers 68, of Bradford was northbound, drove into the north ditch striking some guide posts and continued down an embankment striking several rocks and trees. Damage to the 1972 car has been estimated at \$2,000 and to the guide posts \$75. Investigation by PC Mike Pearson.

*Larry Stinson, IHSS male
athlete of the year*

HALIBURTON — On Friday evening at the Legion, Haliburton Highlands Secondary School's first annual athletic banquet was held. The highlight of the evening was the Athlete of the Year awards. Above left, Larry Stinson 18,

accepts the male award from PE teacher Gary Brohman. Larry walked off with five M.V.P. awards as well as the male athlete of the year. Story and pictures inside.

STANHOPE FLY-IN SUNDAY, JUNE 11th

See pages 5, 6, 7, 8

VACATIONERS enjoy the pleasures of strolling through native open air markets. In Curacao the first shopping stop of the morning is at the "floating market," on St. Anna Bay in the heart of Willemstad. Curacaoans bargain for fresh fruits, vegetables and fish offered by owners of dozens of Venezuelan sailing boats lined up at the wharf.

New owners at Birch Haven Cottages

SASKATCHEWAN LAKE—Mr. and Mrs. Doug and Sandy Johnson, formerly of Pickering, have moved to Haliburton County with their two children, Terry 8, and Michael 2½, and have taken over ownership of Birch Haven Cottage Resort on Saskatchewan Lake, five miles north of Carnarvon. Mr. Johnson was self-employed in the carpet business in Pickering and hopes to carry on in the business here. The Johnson's took over on the 13th of May and are presently getting the five cottages and one log cabin in shape for the upcoming season.

High school activity period

The Haliburton County Board of Education has been considering the attendance rules regarding the period from 3:05 to 3:30 p.m., known as the Extra-Curricular period. New rules have been devised in this regard and it is important that parents note the conditions as described below:

Buses leave the high school at 3:35 p.m. and students must board the bus at the high school only. The activity period from 3:05 to 3:30 p.m. is used by students for: extra help from teachers, clubs, student meetings, intramural sports, etc. Students are encouraged to participate in these various activities and use the period of time to their advantage. However, if a student must leave the school site during this period of time, he/she will not be supervised and will be responsible for his or her own welfare.

It is very difficult to operate such a period in a secondary school and the members of the Board hope that the parents of the students in the school will actively support the various activities and encourage their young people to participate.

Minden's new medical centre opened Monday

MINDEN — Dr. Jeffrey Lodenquai has opened his new medical centre in Minden. The centre, shown top photo, is located next door to the Red Cross hospital. Dr. Lodenquai, left photo, is seen in one of the five fully equipped

examination rooms. The spacious reception area, right, seats up to 20 people in a beautifully decorated well lit atmosphere.

Donny Timms tosses 2 hitter Lindsay Merchants win 8-0

LINDSAY — The Merchants now hold a four point lead atop the Tri County Senior Softball league standings after drubbing the Minden Merchants 8-0 on Sunday. Once again it was errors that led to the Minden downfall. Lindsay scored six runs.

Donnie Timms picked up the win for Lindsay as he tossed a three-hitter and walked five, Jack Snell three times. Although the Minden boys had eight baserunners they couldn't score.

Jack Snell suffered the loss his third against one win, pitching four innings giving up six runs and then being relieved by Rick Hartwick. Minden's record on the season up to Sunday evening, June 4th is three wins and four losses, good for third place in league standings.

4H leadership conference at Dorset Camp facility

DORSET — One hundred 4H club members will attend a conference to prepare them to be future leaders at the annual provincial 4H leadership conference held on June 17-27. The meeting brings together club members from across the province who have demonstrated leadership ability.

Traditionally it has been held at a university or college but is moving to a wilderness setting this year, says Janet Whitehead, Youth Extension, Ontario Ministry of Agriculture and Food.

Using the facilities of a camp near Dorset, the senior 4H members will be able to learn leadership techniques through discussion groups and outdoor activities.

More than 9,000 rural young people, aged 12-20, participate in 4H agricultural club activities in the province. They learn farm skills, responsibility, leadership and citizenship.

OUR WEEKLY BREAD

Sometimes we must learn to hold our tongues if only to keep peace. We should never place so much confidence in our own feelings and opinions. Many of the things we say are unimportant and would be much better left unsaid. Let us strive to listen in silence and keep peace and harmony amongst those around us. For this we need humility and love.

—PM

? Ask Alma

Dear Alma:
 My husband is away on business more than he's home. I have two small kids and a big house which takes up all my physical energies but supplies no mental stimulation. Sometimes I actually ache for an adult to talk to. I have "The good life" and always feel unhappy. Please help.

Dear Lonely:
 Cheer up. Your problem is temporary. Once your children are in school you will have the time to seek out more fulfilling activities.

Meanwhile, hire a sitter and enroll in an evening course on self assertiveness. It will provide immediate intellectual stimulation, adult companionship and help you pinpoint your interests and unused abilities. Above all, it teaches the attitude needed for a fulfilling, happy life. I must do for ME too!

HAVE A PROBLEM at home, at school or at work? Write to ASK ALMA, c/o P.O. Box 43, Closter, N.J. 07624, and watch for the answer.

HALIBURTON — The HHSS junior girls volleyball team (top left) captured the Kawartha Championship this year. The team consisted of coach Ann Varty, Lori Hummel, Lorna Carnegie, Cheryl Dillon (captain), Beth Cooper, Laura Manser, Miriam Vanderwal, Sandra Keickhoffer, Marlene Darby, Lois MacBrien and Heather Kennedy. Special guest speaker was David "Tuffy" Knight (top right), athletic director and head football coach of Wilfrid Laurier University in Waterloo. Mr. Knight coached football for 22 years and has compiled a very enviable record of 75 wins, 32 losses and three ties. His teams have ranked in the top ten across the country in six of the last seven years. Susan Kennedy 17, of Minden (middle right) and a grade 12 student this past year is the female athlete of the year at HHSS. Susan excelled in senior basketball, volleyball and badminton. She was very active in Intermural sports as well, playing all three of the above and soccer. Coach Gary Brohman of the HHSS Redmen, (lower right) presented the senior Kawartha West Championship trophy to captains Larry Stinson, left and Ken Griffin.

Have a "Good Day"

This slogan is being heard often just now. It has a nice friendly ring to it, and makes one feel good. It very aptly describes our hopes for you when you come to our FLY-IN and AIR SHOW at STANHOPE on SUNDAY, JUNE 11th.

For Stanhope Airport the Spring Fly-In has become a tradition. Ever since that first primitive beginning in 1968 which marked the opening of the Airport, the Committee has worked hard each year to improve both the facilities and the program. Each year we have tried to make it better than the previous one. This time we think it will top them all.

The official name of the Airport is "Haliburton Highlands — Stanhope." It is owned by the Municipality of Stanhope Township, and is licensed by the Federal Department of Transport as a Municipal Airport.

Our popular Reeve of the Township, Sinc-Nesbitt always maintains that the Fly-In is "STANHOPE'S DAY," so we really have to make it good to come up to his expectations. You will meet him at the Fly-In. He and his wife, Loretta, are always on hand to help in whatever way they can.

THE PROGRAM

Tom Young of Canadian Air Show Attractions in Peterborough, is once again putting together the program, and he has come up with a 90 minute show that will be interesting and exciting to everyone.

Three Squadrons of the RCAF will be performing in the program — Trenton, Petawawa, and North Bay. The opening number is North Bay's T33 Jet passing over the field, flying at 300 feet. Their Repelling Team will also put on a very exciting demonstration of repelling an attack.

The big C-130 Hercules is coming in from Trenton. It will demonstrate its maneuverability with short take-off and landing facilities. It will remain on the field for the day and be open to spectators who may like to see the interior of this "work-horse" of the Squadron.

Petawawa's helicopters will demonstrate their search and rescue techniques, as well as some other aerial manoeuvres. Its amazing what these big choppers can do.

Individual performers include aerobatics by two of Canada's top aerobatic pilots — Nick Daniel and Doug Murray. They will be flying Stampe aircraft. Both Nick and Doug are no strangers to Stanhope, having performed for us before.

Glider aerobatics are very graceful and beautiful to watch. Bogdan Wolski is an expert with his Glider, and this demonstration is something to look forward to. (By the way, Bogdan Wolski is the Canadian representative for the celebrated Polish aircraft the "Wilga").

Manipulating radio controlled aircraft is a sport which is becoming very popular in Canada (like kite-flying used to be in Britain), and we are happy to have Bob and Jeff Stevens to demonstrate their 'craft' for us.

One very exciting item on the program will be Parachute Jumping by members of the Descenders Parateam — Bill Cole, Rick Wall and Claude Lelaund. This team was formed in 1971 for the purpose of presenting to the public entertaining and exciting demonstrations of parachute jumping. The Team has on its roster some of the best sky-divers in Canada, using the most advanced parachute designs.

The Team co-ordinator is Bill Cole. He is a very celebrated jumper, being the only person in the world to have made two jumps from a plane WITHOUT a parachute. You think that isn't possible? Well he did it. He jumped a split second after a fellow

jumper who carried a spare chute which he passed to Bill who was free falling at over 150 miles per hour. He snapped it on and opened it at only 3000 feet above the ground.

Bill Cole also holds the official Canadian High Altitude Freefall record, having jumped from 7-miles up — 37,000 feet, and made a safe landing in a farmer's field. He also holds the Canadian Altitude record for a jump of 31,000 feet at night.

Midway in the Program, Air Haliburton with its three Cessnas will lead a FLY-PAST. Their pilots will be Jim McLean, Derek Rolfe, and Mike Bellinger. Derek will fly the lead plane, a Cessna 172. Alex Baird will fly a Grumman Tiger for Kawartha Flight, and Nick Daniel will pilot a Grumman Tiger for Leggett Aircraft.

FOOD

When visitors come to Stanhope on Fly-In Day, they anticipate the pleasure of savoring our renowned Barbecued Beef, done to a turn on the large outdoor barbecue and served on a fresh sesame bun. The fires are lit at dawn, and by 7:30 the roasts are turning on the spits, to be ready to serve by 11:00 a.m. We buy the finest beef — this year 200 pounds of it — and the roasts are cut by Ken Whitney at Welch's

Store. Chef for the day will be Elvin Johnson. He'll have several helpers on the job to speed up serving.

And — if anyone gets hungry later on — there will be hot dogs and mini deluxe ham and cheese buns. Coffee, of course, along with Stinson's delicious doughnuts, will be available throughout the day, as well as cold drinks.

SIGHT SEEING

Jim McLean, who operates Air Haliburton's flight training school, and Mike Bellinger, Instructor, will be taking passengers up for sight seeing rides from 8:30 in the morning right through the day — except for the time the Air Show is in progress. This is your opportunity to see how beautiful the lakes and hills of Haliburton are when seen from the air, especially now when everything is fresh and green.

STATIC DISPLAYS

Of special interest, especially to pilots, will be a 1928 vintage WACO 10 Biplane, owned by Leavens Brothers. Several Canadian Aircraft Dealers will be exhibiting their latest models of planes. We also expect there will be some antique cars to look at and compare with our modern luxury cars.

Have a "Good Day"

FIRE PROTECTION

Ever mindful of the need for safety precautions,
the Stanhope Volunteer Fire Department with their
full equipment will be on watch throughout the day.
These men provide a valuable service in Stanhope
Township and surrounding area.

CAR PARKING

The Haliburton Ladies Softball Team will be in
charge of parking cars. They will relieve you of \$1.00
to park your car for the day. These girls are very

efficient and will have the job well organized. (Ad-
mission to the Airport itself is free).

AIRPORT COMMITTEE

The Stanhope Airport Committee is a volunteer
group of eleven people who sponsor the Fly-In and
other activities, and who, through the year work to
keep the runway in shape, as well as carrying out
other needed improvements. Very often on weekends
you will see most of the members busy carrying out
some of the jobs.

One member of Stanhope Council serves on the
Committee and is our liaison with the Council. This
year Elgin Stouffer is our Council representative, and
he gives us some very helpful advice on different
matters.

Our Airport Committee invites you, one and all,
to join with us on SUNDAY, JUNE 11th, at the FLY-
IN and AIR SHOW and help us make it a success.

We feel sure you will indeed "have a good day."
Louise Watson, Secretary.

TOWNSHIP of STANHOPE

by Gerald Bain

The original survey for the Township of Stanhope was commenced in 1857 by J. W. Fitzgerald and presented in a report to the Commissioner of Crown Lands in July, 1860 by G. W. Stewart, P.L.S. In his report to the Commissioner, Mr. Stewart noted "The Township of Stanhope with its numerous Lakes and boldness of scenery make it particularly attractive to the sportman and lovers of natural beauty." It is interesting to note, this statement probably still contains the best description of the area, one hundred and eighteen (118) years later.

The Township was named after an English Earl, Philip Henry Stanhope who compiled a history of 18th century England. Free Land Grants became available in Stanhope in 1868 and access to the area was by Colonization Roads, namely the "Peterson Road" on the south and the "Bobcaygeon Road" on the west. Prior to construction of these roads, water served as a main route of transportation for Indians and Trappers.

Upon the formation of the Provisional County of Haliburton in 1874, to accommodate Municipal Administration, the Townships of Sherbourne, McClinton, Livingstone and Nightingale were combined and remained as a Municipal Unit until 1898.

Records indicate the first Reeve and Clerk of the Township were, James J. Melville and George R. Rowe respectively.

The first and early settlers to the area made a living through farming which was supported by work on the colonization roads, which were being constructed at that time. The Municipality has transformed over the years from an original farming and logging industrial area to one which primarily is oriented to the Tourist Industry.

The Township of Stanhope proudly boasts of many natural tourist attractions such as "Buttermilk Falls" located on Highway 35; "Buckslide Rapids" located off Highway 35 on the Buckslide Road; "Hawk River Rapids" off Highway 35 on the Big Hawk Road. In addition to the natural attractions, Stanhope has a romantic visible past of old buildings, lumbering sites and pioneer trails.

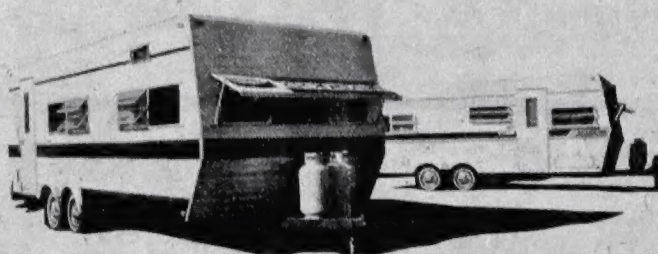

Present Municipal services include a public library, fire department, community hall, public airport and park and picnic areas. With the winter facilities such as skiing, snowmobiling and ice fishing fast developing, the Welcome Mat is out in Stanhope in all seasons and we take this special opportunity to welcome you to the Township of Stanhope.

"Welcome to Haliburton"

Who Does It Directory

Simpson's Sears opens new Haliburton office Saturday

HALIBURTON — On Saturday, the official opening of the Haliburton Simpson's Sears Catalogue Sales office took place. The new office which also is the Travelways Bus Stop as well as the outlet for Victoria Cleaners, is situated between Arrow TV & Communications and the Echo's of Yesterday Antique store.

Jack Snell wins 1st of season as Minden downs Legion 3-2

MINDEN — The Merchants won their second game in three nights and evened their seasons record at 3-3, when they edged their arch rivals Haliburton Legion, 3-2.

Haliburton opened up a 1-0 lead in the first inning when Andy Salvatori the lead-off batter singled, stole second and scored on a single by Bob Johnson.

Minden put their attack together in the bottom of the fourth inning when Dave Dollo walked, Dave Hartwick singled him to third. This brought up Larry Kent who laid a perfect bunt down first. Haliburton overthrew first base and both Dollo and Hartwick scored with Kent ending up on third. Kent was then thrown out trying to steal home on a sharp grounder to short by Marg Derry. Derry then went to third on a Rick Hartwick single. Hartwick stole second but while this was happening Derry tried to steal home. He was caught in a rundown but an errant throw to the plate that got away from the catcher allowed Derry to score what proved to be the winning run. Haliburton made it close in the fifth inning when Salvatori singled and scored on a single by Brian Mulholland. However, winning pitcher Jack Snell limited the Legionnaires to just three singles over the final two innings. Bernie Nichols suffered his fifth loss in six outings this season.

Merchants trounce Fenelon 7-2, Newell, Shaw hit homers

FENELON FALLS — On Monday evening the Minden Merchants came up with their finest performance of the young senior softball season, blasting a tough Fenelon Falls squad 7-2.

The game was anyone's until the sixth inning when Minden scored twice to break a 1-1 deadlock and then put the game away in the seventh with four more runs.

Barry Shaw spotted Minden a 1-0 lead in the first inning with his second homer of the year. The game remained 1-0 until the fourth inning when Phillips, Swutzer and Sheehy each hit singles to tie.

In the top of the sixth Rick Hartwick singled, stole second and scored on Jack Snell's double. Snell then came home on a hard single to centre by Dollo.

In the top of the seventh, Gene Newell slammed a homer over the left field fence and Minden was up 4-1. Mark Derry then singled, Rick Hartwick singled and Barry Shaw singled to make it 5-1. Snell then came to the plate and singled to right centre to score Hartwick and Shaw and make it 7-1.

Fenelon came back with their final run in the bottom of the inning. They filled the bases with none out but winning pitcher Rick Hartwick got the next three batters to end the game.

Beaver Sheehy took the loss for Fenelon.

CLIFF BURKE, News Editor

Samantha READS YOUR STARS

If you were born this week: You have many interests and talents. So many, in fact, that you sometimes try to pursue several at once. You'd probably do better to try to develop fewer, in more depth! Otherwise, you are likely to be a Jack of all trades, etc! Communications are your special forte.

ARIES (3-21/4-19): Slow down a bit, Aries. Take time to stop, look, and listen. Be choosy about how you spend your time and with whom you spend it! Deal with corre-

spondence and finish the last page of a certain book. Later, new moon brings opportunity your way. Don't be slow to respond.

TAURUS (4-20/5-20): Say your piece and get it off your chest, Taurus, so you can go on to other things. Just remember to say it kindly and with tact, my dear! Later, the focus is on financial matters, and you may have a decision to make.

GEMINI (5-21/6-20): Spicy goings-on are right up your alley, Gem, and you join in happily. And while you're at it, don't forget to celebrate your special day. Later, take time to get your thoughts in order before you try to express 'em.

MOONCHILD (6-21/7-22): And how's my favorite worrywart this week, Moonbaby? Rarely content to have just one matter to stew over, you search for several more. Now, you know, if you look hard enough you will find! But who needs it? Certainly not you! Get out there and enjoy yourself instead!

LEO (7-23/8-22): Listen to what your heart tells you is true, Leo, and let this wisdom guide your tongue. Besides, as you are well aware, criticism is constructive only when it is well meant! Later, put on your dancin' shoes and go boogie!

VIRGO (8-23/9-22): A calm, cool, and collected approach sees you in good stead this week, Virgo. Don't let a certain party ruffle your feathers, and avoid poking your finger into too many different pies! Days come to smiling conclusion.

LIBRA (9-23/10-23): Actions of associates may cause you to reevaluate your position on a particular matter, Libra, and, it's about time! Romance beckons, and you, free spirit that you are, kick up your heels in delight. Weekends with glee!

SCORPIO (10-24/11-22): Trod the fine line between being cooperative and being stepped on in week ahead, Scorp. The difference is slight, but by end of week, you should know what it is — if you don't already know! New moon brings a question, a plan, and, perhaps, an I.O.U.

SAGITTARIUS (11-23/12-21): Go pick some posies and present them to your favorite beau. You mean you're not sure which one is the favorite? Don't ask a daisy. Say, ask your heart — it knows! Busy week shines on with a surprise or two!

CAPRICORN (12-22/1-19): You give great advice, Cappy. It's a shame you don't pay more attention to it yourself. Try to start practicing what you preach. It is valid, you know! Interesting week may also contain hidden bonus before it's over.

AQUARIUS (1-20/2-19): Don't get so overcome with the forest that you forget to look at the trees, Aquari, especially those little saplings! Develop your eye for detail and exercise your patience, too. Later, moonlight sparkles on romance!

PISCES (2-20/3-20): Put personal affairs and your house-

In the News

JOHN WAYNE amazed his Boston doctors with his ruggedness when he underwent open heart surgery recently in that city. The Duke is back in his home corral in California recuperating.

hold in apple pie order early in week, Pisces, cause latter days see several visitors — including one who is rather important! Be prepared for lots of talk — it may be up to you to start the action!

NOTICE OF TENDER

Tenders are invited for the clearing of a right-of-way from Lot 28, Concession VII to Lot 28, Concession IX, Galway Township. Length of right-of-way approximately 10,560 feet and 40' wide. Additional information and tender forms may be obtained from the Ministry of Natural Resources Office at Minden and Gooderham.

Tenders must be received at the Minden District Office up to and including Thursday, June 22, 1978. Public opening of tenders will take place at the Minden District Office Friday, June 23, 1978 at 2:00 p.m. E.S.T. The lowest or any tender not necessarily accepted.

Think small

by Jim Smith

A Dirty Word

Unemployment has always been a dirty word. Lately, though, it's showing signs of becoming something even worse: a boring word. There's nothing like 12 months' of daily newspaper headlines to make most of us lose interest in an issue.

Actually, unemployment has not been treated fairly. We have, without exception, ignored the desirable effects of unemployment. For instance, unemployment has created many new jobs in Ottawa where bureaucrats must tabulate the unemployment rate and publish booklets about government programs which purport to fight the menace. Unemployment creates work for Canada Manpower personnel. And it creates work for newspaper reporters. If we didn't have unemployment, we conceivably could have more people out of work.

If you think that's ridiculous reasoning, you haven't encountered the most recent proposition from organized labour. More and more unions have studied the employment problem and reached the same conclusion: they will fight the shortage of jobs by reducing the work week for those individuals fortunate enough to be holding down jobs.

So far, so good. In fact, the willingness of workers to spread the discomfort equally over their ranks would appear to conform to the highest principles of unionism. But all is not as it appears.

To wit: the union proposal is not exactly to spread out the available work over more workers. Rather, the union sees every worker, out-

ting in fewer hours for the same gross pay! Or, to put it another way, the employer is expected to pay a whole lot more for workers.

That isn't the best way to cure unemployment. The thinkers who dreamed up this scheme apparently overlooked the one fundamental rule of economics: when the price of something goes up, the demand for that thing goes down. In other words, if employers are expected to pay their workers higher hourly wages, they will employ even fewer workers.

Putting it all together, then, the union proposal would lead to more unemployment rather than helping out the unfortunates who are still looking for jobs.

But, then again, organized labour has shown a spectacular lack of understanding of existing economic conditions. All across Canada at this very instant, for example, teachers are conducting strikes or the more insidious "work to rule" campaigns, blithely ignoring the fact that the most pressing issue in education today is how to get rid of the surplus staff. The inside Post Office workers have demanded fringe benefits totalling slightly more than \$1 billion on their next contract! And on and on...

Unemployment is a nasty business. Unfortunately, it appears that certain social groups are exploiting the issue and unemployment's victims. It's time to play fair with unemployment.

"Think small" is an editorial message from the Canadian Federation of Independent Business.

Nick Beverley of North Stars guest at minor hockey night

MINDEN — The Minden Minor Hockey organization held their annual banquet on Wednesday evening at the Community Centre, with some 300 hockey players and parents present.

This year's special guest was Nick Beverley, captain of the NHL Minnesota North Stars. The 6'2" 200 lb. defenceman was a big hit with local hockey enthusiasts.

Nick was born in Toronto and grew up in Scarborough until he was seven years old. His parents then moved into the city where he joined the Ted Reeve hockey organization at nine and played house league hockey for two years before moving up to the Ted Reeve 'night league.' He then joined the Whitby Junior 'B' team for a year before being drafted by the Oshawa Generals of the Major Junior 'A' loop.

He played for the Gens for three years along side another defenceman, Bobby Orr. Other notable players on this Gen. team were Wayne Cashman and Danny O'Shea. The General's played for the memorial cup in his final year but lost out to an All-Star team from Western Canada. He was named team captain of Junior and a highlight of his final year was a game against the Czechoslovakia National team.

Beverley turned professional with the Boston Bruins. He was shipped off to the central Hockey league's Oklahoma City Blazers where he played three years. He was then promoted to the American hockey league's Boston Braves.

He was then called up to the parent Bruins where he played one year before being traded to the Pittsburgh Penguins, after which he was traded to the New York Rangers for Vic Hadfield. After two successful seasons with the Rangers he came to the North Stars with teammate Bill Fairburn for Stars Bill Goldsworthy. He has now had two years with the last-place North Stars, this past year being captain of the team and also scoring a career high of seven goals.

No stranger to Haliburton County, Nick has worked at Haliburton Hockey Haven for the past 11 years and he and his wife have a cottage on Soyers Lake.

He answered many questions of both parents and players, such as who is the best player in the NHL, to which he answered Guy Lafleur, best defenceman, Larry Robinson, best goalie, Ken Dryden and Rogie Vachon, strongest players in the league, Terry O'Reilly and Barry Beck.

In respect to what coaches are looking for in an aspiring young hockey player, he gave eight qualifications that general managers and coaches look for: attitude, living habits, leadership, performance under pressure, size and strength, hockey sense and desire.

Unfortunately, the cars with the largest horsepower often go to the fellows with the least horse sense.

Our neighbor is nowhere with math — except fractions: He's wonderful with fifths.

Learn to swim program at Twelve Mile in July

The period of June 4-10 this year is Red Cross water safety week.

Their theme is: "the water in your backyard," be it a pond, river, creek, lake, etc.

All non-swimmers are urged to learn water safety and if interested may enrol in the July swimming program which runs for four weeks at Twelve Mile Lake beach.

This year, Stan Bleers and Frank Waters are in charge of the yearly program.

Austin, Slater, capture curling club tourney

The Minden Curling Club took to the links over the week-end for their 10th annual Spring Handicap Golf tournament held at Beaverbrook Golf Club. Some 56 golfers teed off at 1 p.m. on Sunday afternoon and when the tournament concluded, Bob Austin right, and June Slater, centre were the low net winners. Left is Garth Kellett presenting the trophies to the victors. After the tourney was over the golfers all gathered at J. O. Jackson's for a barbecue and awards presentations. Graham and Minnie Gilhooley came through with the top scores of the day to win the low gross titles.

McGrath Legion Br. 441, Kinmount elect executives

KINMOUNT — Legionnaires and ladies auxiliary members of the John McGrath Legion, Branch 441 Kinmount, gathered in the Legion Hall on Sunday for their annual joint installation of officers.

Conducting the installation were Zone F4 commander Doug Worrall and Zone F4 Legion ladies' auxiliary commander, Phyllis Montemiglio, Bill Dermody acting Sgt.-at-Arms, with Alf Lees and Bob Stuart carrying the colours. All were from Branch 67, Lindsay.

The following members will conduct the affairs of the men's branch: president, Alan Brown; past president, Albert Crego; 1st vice, Sam Telford; 2nd vice, Jim Thompson; Sgt.-at-Arms, Charlie Cross; executive members, Norm Gilmore, Norm Silvers, Bill Lilley, Bert Young, Austin Henderson, Jim Nightingale and Harold Coulter. Chaplain is Rev. R. Brooks and secretary-treasurer, Maxene Cross.

Officers of the ladies auxiliary will be president Irene Gardener; past president, Lil Platt; 1st vice Dagnar Simpson; 2nd vice Kay Allen, Sgt.-at-Arms, Ruth Menard, secretary, Lila Shaw and treasurer Mary Munro; executive Gladys Silvers, Mary Hartin and Nora Brandon.

Congratulations were expressed to both executives by zone commanders who wished them well in the work of the Legion in Kinmount for the term.

Members of the ladies auxiliary provided a tasty lunch with a social hour following and bringing to a close another successful event at the Legion.
